Teamwork is the ability to work together toward a common goal. It helps people share ideas, solve problems, and complete tasks more efficiently. In schools, teamwork develops communication, leadership, and cooperation among students. Working in groups teaches respect for different opinions and improves decision-making skills. Successful teams trust and support one another while focusing on shared objectives. Teamwork is valuable not only in education but also in workplaces and everyday life. Together, people can achieve goals that are difficult to accomplish alone.
